From the Superintendent's Desk...

Message from Mr. Patrik D. Williams

On behalf of our Smyrna School District Board of Education President Scot McClymont, Vice-President Chris Malec, and members Kathryn O'Connell, Vetra Evans-Gunter and Kristi Lloyd, as well as all of our employees and students, I am excited to welcome our community back to school on Monday, August 27, 2018.

The 2018/19 school year will be an exciting one as we celebrate 135 years of Smyrna High School graduations with the Class of 2019. Our annual homecoming parade and game against Dover High School will be Friday, October 19, 2018, our "I Love the Smyrna School District Day" will be Saturday, February 23, 2019, and our graduation will be on Saturday, June 1, 2019, at 10 a.m.

This past summer marked the beginning of our next 10-year plan for continued growth and development all around the Smyrna-Clayton community. As families continue to "discover" us, we must be vigilant in studying ways to accommodate the growth to ensure top-notch schools, classrooms and playing fields for every student who enrolls. I anticipate sharing news about our plans for the future in the coming months! In the meantime, all of our eight schools have been thoroughly cleaned by our custodians and are ready for students and teachers. Our maintenance and technology teams have also been working long days to ensure that our facilities are ready to open the school year.

We also welcome a variety of new staff to our schools. A few administrators, teachers and support staff have moved from one school to another, and a few new faces have joined our team. It is always exciting to welcome new folks to the district, and we look forward to adding their expertise in each school and department.

On the sports field our football, unified football, soccer, field hockey, volleyball, cross country, and cheerleading teams are all busy at practice, preparing for another thrilling season of competition. We are so proud of our coaches and our student-athletes who daily exhibit our core values, whether they are in the classroom or on the fields. Please come on out to support them and cheer them as they compete.

We are also providing additional support to our staff and students this year in the form of three research-based programs that focus on safety and climate. First, most of our administrative team has become certified trainers in the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Training Institute. This is a nationally-recognized program that reinforces student and staff safety in the event of an aggressive intruder incident. Staff and students across our district will be learning the various protocols this year, all designed to enhance safety throughout each school. Second, we are pleased to bring Trauma-Informed Instructional Practices to our district this year. Students may be dealing with life-changing events in their lives, and it is our duty to support them and their families as they strive to overcome their challenges. Finally, we are pleased to make Restorative Practices an instrumental part of our school climate and discipline this year. While each school to a varying degree has embedded Restorative Practices in its code of conduct, this year, we are going to dig deeply into the training so that every staff member and student has additional resources available to make each classroom a positive and supportive learning environment.

A special "Thank You" goes out to our local legislators Senator Bruce Ennis, Senator Dave Lawson, Representative Bill Carson, Representative Jeff Spiegelman, and Representative Trey Paradee for their continuous support of the Smyrna School District. Their unwavering dedication to our community and our schools improves the quality of life for all. Also, we wish to thank Levy Court President Brooks Banta, Smyrna Mayor John Embert, and Clayton Mayor David Letterman for being just a phone call away when we need their help.

As we all gear up for the start of what promises to be yet another exciting school year in the Smyrna School District, I wish to thank our community, our staff, and our families for their commitment to our students. Welcome back to a promising school year, and, of course, remember to eat your breakfast every day. #EagleUp!

Smyrna School District 2018 Teacher of the Year

CIS Teacher of the Year, Mrs. Virginia Hoye

Mrs. Virginia Hoye has worked in the Smyrna School District since 2001; however, her path to teaching was somewhat of a detour.

She originally studied accounting, and worked in financial management for many years. One day, she realized that she was working in a position that was not fulfilling, and made her a bit unhappy. Her wonderful husband encouraged her to quit and she spent two years volunteering at her children's school, Smyrna Elementary. She got to see firsthand how much of an impact a wonderful teacher can have on a child. She loves this school district and only wanted to work in education if she could work in Smyrna.

Mrs. Hoye got her wish and started in Kindergarten as a para-professional for a child with special needs. She then worked at Clayton Elementary for four years, helping children who struggled in reading. It was then that she decided to return to school to obtain her Master's Degree in Elementary Education. She started teaching fifth grade in 2007 and has done so ever since. She found her passion and loves to come to work every day!

When not at school, Mrs. Hoye enjoys spending time with her husband, Shawn, and their two adult children, Patrick and Sarah. Some of her favorite things to do are boating, beaching, gardening, and reading. She also has two furry babies that she adores!

Welcome to the 2018-2019 school year! Soon school buses will be arriving, the sparkling hallways will be filled with excitement and joy to see old and new friends, and students will be heading to their new classrooms to meet their teacher and find their fresh desks to begin a year of learning opportunities.

In preparation for this exciting new year a lot has happened over the summer. The custodial crew has worked diligently cleaning classrooms and waxing floors, the outside grounds have been attended to, curricular materials have been prepared and teachers have participated in a variety of professional development offerings.

Our office and administrative team have also been hard at work this summer getting things prepared for your child's first day of school. We are extremely excited to kick off the new year and look forward to seeing your child's smile light up the halls of Clayton Elementary School. We are eager and excited to work with each of you to ensure that your time spent with us will create lasting memories, strong friendships, as well as a love and passion for learning.

We look forward to working closely with you and your child(ren) to ensure that they receive the best education possible. Please do not hesitate to contact us at any point if you have any questions or would simply like to introduce yourself personally.

CES PTO

Clayton Elementary loves volunteers to help out with our PTO. This is an organization that is very few in numbers but does a tremendous job in supporting the students and staff at Clayton Elementary. We welcome new people with new ideas. Meetings take place the 2nd Monday of each month at 6:00 pm in the school library. Please find the time to help out this wonderful organization. We are looking forward to seeing you there!

**SMYRNA
ELEMENTARY SCHOOL**

David Morrison, *Principal*
Mikell Reed, *Assoc. Principal*

The administrative team at Smyrna Elementary School would like to welcome all new and returning families to the 2018/19 school year. As with the opening of every school year, the upcoming year promises to bring wonderful learning opportunities, excitement, and a variety of new challenges that you've come to know and expect from Smyrna Elementary. Our teachers have been excitedly preparing their classrooms, honing existing teaching strategies and incorporating new ones, while our custodians and maintenance crews have worked hard to prepare our building for a safe new year. We all anxiously await the opportunity to develop a partnership in a positive learning environment with you and your child(ren) and we look forward to your active participation in our school functions and educational experiences.

Two-way communication is the key to a successful school year. If you have any questions or need clarification on anything, please do not hesitate to contact the school. We look forward to a successful school year with you and your child.

SCHOOL-AGE CHILD CARE PROGRAM

There will be before-school care available at Smyrna Elementary School. The name of the program is the Breakfast Club. The program will be operated by the staff of the Smyrna School District. Students may be dropped off as early as 7:15 a.m. for a daily, non-refundable fee, which must be paid in advance. Payments may be made to your child's school cafeteria, the District Child Nutrition Office, or online via www.mySchoolBucks.com. The students will receive breakfast during the time they are in the program, homework help, and supervised arts, crafts, and games. Applications for the program are available in the main office or at www.smyrna.k12.de.us under Child Nutrition.

A message from the school nurse:

Michele Bonsignore, BSN, RN

Please be sure to notify the nurse if your student has any medical concerns, or needs special care during the day, such as medications, treatments or monitoring. All medications that need to be given in school must have a prescription label and be brought into the nurse's office by a responsible adult. Absolutely no medications, prescription or over-the-counter can be in the building without the nurse's knowledge. Please do not send in either regular or temporary medications with your student. You must deliver them in their original packaging with the orders from your child's doctor directly to the nurse. No other staff member is permitted to accept medications—prescription or over the counter—from you or your student. All medications must be transported by you, and turned in directly to the school nurse.

If your student suffers from any food or environmental allergy, asthma, or seizures, please forward a copy of your student's action plan provided by your doctor immediately to Nurse Bonsignore. This information is vital to us here at school, and without it, we cannot treat your child effectively if something were to happen.

Lastly, emergency cards will be sent home the first day of school. While we can get your contact information via our student database, the completed and signed emergency card allows us to seek further treatment if necessary. Please fill them out and return to school promptly and to update the information immediately if your information changes.

I am looking forward to a healthy 2018/19 school year. Please don't hesitate to call me with any concerns at 302-659-6286 or email at Michele.Bonsignore@smyrna.k12.de.us.

**SUNNYSIDE
ELEMENTARY SCHOOL**

**Pat Grant,, *Principal*
TBA, *Assoc. Principal***

Welcome, Sunnyside students and families!

We hope that you have had an amazing summer. We have been gearing up for the arrival of our students on Monday, August 27, our first day of school.

We wish our prior Principal, Mr. John J. Camponelli, the very best as he has moved to be the Associate Principal at Smyrna High School. The Sunnyside Family wishes him the best in his new position.

Having spent six years as the associate principal at Sunnyside, I am humbled and honored to carry on the greatness at Sunnyside Elementary School as our Principal. I have already begun meeting with the great staff here at Sunnyside, and am looking forward to meeting our students and families throughout the start of our 2018-2019 school year.

As soon as I started at Sunnyside, I began to admire how our staff lives the Smyrna School District Core Values of Compassion, Integrity, Perseverance, Respect and Responsibility. Together with our Sunnyside families, we will work together as a team in the elementary foundation of our students' education. We graciously appreciate your support, and look forward to working with you.

Your student's teacher has sent a letter with lots of important information to acquaint you and your student with their classroom. Since the mailing, there have been some changes with staff and student placements. I have made my best effort to inform all parents of changes. After the school year begins, you will receive a student handbook and important forms to fill out and return to school. Please read the student handbook with your students and return the important paperwork as soon as possible. There are always updates in policies and procedures each year and the information that is sent home is very important. We need the most up-to-date contact information to be able to communicate openly. If you have questions after reading the information, please feel free to contact the school at 302-653-2808. Families may also view current school information on our school website at <http://sse.smyrnak12.org/index.jsp>.

Enjoy the rest of your summer! We look forward to hitting the ground running as we start a new and rewarding school year. #EAGLEUP!

We are pleased to continue certain safety measures to our School Safety Plan this year.

- The car rider pick-up loop will close at 8:35AM and will re-open at 3:00PM. If you arrive after 8:35AM, please report to the main office to sign-in your student. 8:35AM is the start of the instructional day. In an interest of safety for all students, we will have a barricade up to stop any cars from going behind the building during the school day. This will allow our students to enjoy an extended area for recess, as well. At 3:00PM the barricade will be removed. Please do not arrive until 3:00PM each day to pick up your child. Car-riders are dismissed at 3:15pm, and the system runs very smoothly!

- When coming into the school, please have your photo ID available. We have our check-in system from Raptor Technologies. The Raptor system scans licenses, military identification cards and other state issued identification cards to check-in visitors while simultaneously scanning the sex offender registry. Parents and visitors must bring their identification into the school the first time they are visiting so your profile can be entered into the system. Visitor passes will print upon approval with your photo and the location you are visiting with a time and date stamp.

Welcome to Clayton Intermediate

On behalf of the Clayton Intermediate School (CIS) Team, we welcome you to the new school year. We are very excited for the year to start and have you walk through the doors on the first day. As expected, we have been very busy this summer preparing for the arrival of your child(ren) on August 27, 2018, the first day of school.

Welcome Mrs. Willis

I'm very excited to join the Smyrna School District and the 5th Grade teaching team at Clayton Intermediate School. I have enjoyed working with students for a decade in both non-profit and public education settings. I graduated with a B.S. from Stockton University and with a M.Ed. from Eastern University. I hold dual certification in both Elementary and Special Education from the state of Delaware. My husband Chris and I are parents to two awesome girls. They keep us busy with sports, projects, and lots of laughter. Originally a Jersey Girl, I enjoy trips home to visit family and watching my kids play at the beach. Delaware has quickly become home and I feel fortunate to be at Clayton Intermediate.

Welcome Ms. Matthews

Hi! My name is Ashley Matthews. I grew up in Smyrna and graduated from SHS in 2011. Go Eagles! I went on to graduate from DSU in December of 2016 with a bachelors in Elementary Education and a certification in Special Education. After graduation I was a long term sub at CIS, and then I taught 5th grade in Dover for a year. I loved my time at CIS as a substitute and felt so at home with the staff there. I am super thrilled to have accepted a position at CIS this year and be back with my Smyrna family! I am a silly and bubbly person and I love to make people laugh. In my spare time I like to read, travel, and hang out with my dog, Wally. I hope everyone has an awesome 2018-2019 school year!

Welcome Mr. Nabi

Hi my name is Hakeem Nabi and I am excited to be returning

to my hometown of Smyrna, DE as the general music teacher at Clayton Intermediate School. My journey to becoming a music teacher in the Smyrna School District began as a student at Smyrna High School. After graduating from Smyrna High School in 2013, I went on to pursue my Bachelor of Arts in Comprehensive Music Education at Delaware State University. I graduated from Delaware State University in May of 2017. I am looking forward to beginning my career as a music educator and even more so to giving back to the wonderful community of Smyrna. The Smyrna School District has truly inspired my love and passion for education through music. I strive to inspire and motivate all of my new students to find their passion and chase their dreams whether or not it involves music. Returning to the Smyrna Eagle family has always been a dream of mine and I am looking forward to a very fun and exciting school year.

Smyrna AgriScience Classes to Feature New Curriculum

The AgriScience Program at Smyrna High School during the 2018-2019 school year will feature new construction based curriculum for the Agricultural Structures and Agricultural Mechanics pathways, because of work done by the Delaware Association of AgriScience Educators. The curriculum was revised and adopted from the National Center for Construction Education and Research (NCCER). The National Center for Construction Education and Research (NCCER) is a not-for-profit 501(c)(3) education foundation created and developed in 1996 with the support of more than 125 construction CEOs and various association and academic leaders who united to revolutionize training for the construction industry. Sharing the common goal of developing a safe and productive workforce, these companies created a standardized training and credentialing program for the industry. This progressive program has evolved into curricula for more than 70 craft areas and a complete series of more than 70 assessments offered in over 4,000 NCCER-accredited training and assessment locations across the United States, with Smyrna High School now joining its ranks. AgriScience teachers and FFA Advisors Sarah Bell and Jay Davis were recently certified with NCCER instructor credentials, which allows them to incorporate standardized construction and maintenance curriculum along with assess-

"The AgriScience program at Smyrna High School already offers students the opportunity to gain OSHA 10 Safety Certification through their classes and these new materials will certainly allow students to gain an even more competitive advantage as they enter the workforce," said Dr. Bart Gill, Education Association with the Delaware Department of Education.

Kent Robinson, Assoc. Principal

We want to welcome all of our families and students to Smyrna Middle School as we prepare for another exciting year in 2018-2019. We have been busy all summer ordering new materials, preparing our classrooms, and designing academic programs, all in an effort to make the coming school year another successful learning experience. Our custodians have cleaned, polished, and re-assembled our classrooms so that they are first-rate and ready to go. Our office staff have ordered the necessary supplies, compiled handbooks, and registered all of our students. Our summer learning academy has concluded and many of our staff have been involved in additional training and courses, and/or revising their curriculum in an effort to provide quality instruction for our students. We would like to welcome several new staff members to Smyrna Middle School, Sydney Welch, Shawn Vascellero, and Tony DeVary. Indeed, everyone at Smyrna Middle School eagerly awaits the arrival of our students and the beginning of the 2018-2019 academic year on August 27, 2018. Please mark your calendars for our annual Open House on Thursday, August 24, beginning at 6:00 p.m. Before that, we invite all new students to Smyrna Middle School on August 16 at 1:00 p.m. for our annual orientation to take an informal tour around the school. Be sure to stay updated with the latest information using our web site <http://sms.smyrna.k12.de.us/>.

SMYRNA HIGH SCHOOL PARKING POLICY/TRAFFIC FLOW

The Administration of Smyrna High School eagerly awaits the arrival of students for the 2018-19 school year. The east side of the building (Smyrna Side) is designated for student parking. Students who wish to drive to school will present their completed Application for Parking Permit with all supporting documents to Ms. Bryan in the front office, along with the \$10 parking fee beginning on August 13, 2018. Only students that have completed their six month restricted driving process may purchase parking tags. Students who owe an obligation will not be allowed to purchase a parking pass until the obligations are cleared. Parking spots may not be reserved at any time. Seniors are permitted to purchase their parking tags starting on August 13 from 8:00 a.m.– 3:00 p.m. Juniors may purchase their parking tags starting on August 14 from 8:00 a.m. – 3:00 p.m.. All remaining students may purchase a parking tag beginning August 15 from 8:00 a.m. – 3:00 p.m.. Please note that the main office will be closed on August 22 from 7:30 a.m. – 1:00 p.m. for a district-wide meeting.

All cars using the school parking lot must display the tag on the rear view mirror. Any car in the school parking lot that does not display the tag by the start of school on September 4 will be subject to towing. It is the position of the Smyrna High School Administration that driving to school is a privilege, tied to the Code of Conduct. Students who violate the Code of Conduct may have their driving privilege revoked. The Administration urges the students and parents to become familiar with the regulations associated with the driving privilege as indicated on the Application for Parking Permit.

When entering the Smyrna High School property, all traffic must enter using the West side (Clayton Side entrance) and exit the property using the East side (Smyrna side exit). Please be mindful of the 15 MPH speed limit and yield to pedestrians crossing on their way to the building. No vehicles are permitted to park in the bus lane or to drop off or pick up students in front of the school between the hours of 7:00-7:30 a.m., and 2:15-2:45 p.m. The parent drop off is located on the Smyrna side of the building next to the entrance to the auditorium lobby. Please follow the driving directions provided by the signs, cones, and school personnel in that area when dropping off a student in the morning.

Smyrna FFA Shines in the summer

Besides the awards and recognition received by members of the Smyrna FFA Chapter at the Delaware State Fair, a lot of time and effort went into projects, displays and program maintenance at Smyrna High School during the Summer months. The Smyrna FFA had a number of students who assisted and extended their classroom learning into the shop facilities and outside of Smyrna High School.

Students that decided to participate in a Career Development Event (CDE) trained by reviewing materials, judging livestock, identifying agricultural items and operating equipment.

Another great Summer accomplishment was when Smyrna FFA members Aiden Pepta, Brynn Rifino, Nick Shane and Aaliyah Street spruced up the landscaping at the Town of Clayton's Memorial Railroad Park on June 20, 2018. The project was a part of a community grant written by the Smyrna FFA to help improve the aesthetics of the town. Three sets of benches and planters were assembled earlier in the school year by the Ag Structures program at SHS with plants being installed by the Plant Science students.

"There is always something that needs to be done," said Sarah Bell, Agricultural Power Mechanics teacher and FFA Advisor at Smyrna High School. Smyrna High School teachers Keith Shane, Jay Davis, Sarah Bell and Kellie Michaud spend much of their Summer months working with students to help make them succeed and having Smyrna High School recognized as the top AgriScience program in Delaware.

SMYRNA HIGH SCHOOL ATTENDANCE POLICY

Attendance Policy Highlights

ESchool Attendance is recorded for every class of the day.

Student daily attendance will be based on the following:

- Absent 1 Period = full day present
- Absent 2 periods = half day absent
- Absent 3-4 periods = full day absent

The Attendance Review for semester and year-long class credit will be determined using the total days Absent for each individual class. Student credits will be awarded or denied for each class individually.

Students will be permitted to miss up to 10 days from a semester-long class, and up to 20 days from a year-long class and still be eligible to receive academic credit for the class.

Tardy to school is for students not in the building by 7:30 AM. Three unexcused tardies will be the same as one day absent. This day of absence will count towards the total allowed absences for the year for that class. The tardies will be recorded in the main office before the student reports to class.

Tardy to class is for students 15 minutes or less late to any class of the day. The consequence is three unexcused tardies is the same as one day absent. For each unexcused tardy starting with the sixth, the student will have an additional consequence of one day in SBIP. These absences are included in the student's total allowed absences for the year and may result in credit for the course being denied.

For questions or information concerning attendance, parents may contact Mrs. Stacy Watts or Mr. Leon Clarke by phone at 302-653-8581, or by e-mail at stacy.watts@smyrna.k12.de.us or leon.clarke@smyrna.k12.de.us. Parents may also choose to e-mail late and/or absent notes to Mrs. Watts.

Student Attire at SHS

Proper attire in the business world requires a certain standard of dress. The Smyrna High School Dress Code reflects the community desire to prepare our students for the work force they will enter shortly. Parents and students should keep this dress code in mind when shopping for school clothing. Clothing worn to school should not interfere with the educational process. Some highlights from the Dress Code are:

- Tops that suggest inappropriate messages or display pictures such as tobacco, drugs, alcohol, hate messages, expose the midriff or undergarments, halter-tops, fish-net tops, tank tops, and muscle shirts are not be worn to school.
- Oversized pants that sag below the waist or drag on the floor and pants that are extremely tight are not to be worn to school.
- Pajamas and clothing articles that replicate undergarments are not to be worn to school.
- Shorts, skirts, and dresses should not be worn if the length is in violation of the Dress Code.
- Hats, headbands, bandanas, earmuffs, goggles, and any other head coverings (unless required for religious purposes) are not permitted in school.
- Versions of clothing such as see-through pants and "loungewear" such as pajamas, sleepwear, or slippers are unacceptable.

Parents and students should refer to the complete dress code pamphlet for further specific details.

Use of Personally Owned Electronic Devices by Students

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. To encourage educational growth, students at Smyrna High School may now bring their own mobile device to campus. Student use of such devices in the classroom environment must be approved by a teacher or administrator. Any non-approved uses of such devices are subject to the Smyrna High School Code of Conduct. For the purposes of Personally Owned Electronic Device, "Device" means privately owned portable electronic equipment that includes smart phones or other portable devices (i.e. MP3 Player, electronic book, tablet, etc) that can be used for word processing, wireless Internet access, and information transmitting/receiving/storing, etc. The Smyrna School District will not provide any wireless or Ethernet connections for such devices. Hot Spots or mobile wireless access points are not permitted.

SMYRNA TECHNOLOGY

Smyrna Technology continues to provide the best possible computer platforms for students to use in their educational experience. A recently completed Five-Year Strategic Plan details the technologies that will be utilized over that period.

Smyrna School District will start to deploy more Chromebooks for use in classroom and for testing. Chromebooks are durable, less expensive than laptops, and kid-friendly. Computer labs throughout the district will still use the Microsoft operating system Windows. This operating system is the standard for those programs that are not specifically web-based. Clayton Intermediate School will be piloting the Windows 10 operating system this coming school year, with the remainder of the district scheduled to be upgraded in 2019.

Smyrna Technology continues to move toward a 1:1 computer to student ratio at the classroom level. Any teacher who desires to use computer technology in their classroom will soon be able to utilize a cart with enough computers for every student to have one on their desk for that instructional period.

We continue to look at security at each school, from entry methods to expanding the number of cameras in use to protect our students and staff.

To help with all these and the many other tasks that Smyrna Technology performs, we would like to announce two new employees who came onboard this past summer. Brent Laise, a Smyrna resident, is a Network Engineer with responsibilities in those technologies involving wireless and security. Bruce Lowman, a Smyrna native and graduate, has joined the team as a Technician I, supporting teachers, students, and staff in their computer needs.

SMYRNA MESSENGER CELEBRATES 25 YEARS OF SERVICE TO SMYRNA SCHOOL DISTRICT COMMUNITY!

This edition of the Smyrna Messenger marks the beginning of 25 years of sharing Smyrna School District information with the communities around the northern Kent County school district. Over the years, many great stories about our students, staff, athletic teams and clubs have been shared on these pages. We hope to be around for another 25 years providing this service.

Smyrna Summer Camps Really Successful

During the months of June and July, Smyrna School District offered 3 weeks of summer camps for students in grades K-6. Each camp was a half day in length and ran from Monday to Thursday. Over

270 students participated in our inaugural camps. Students had the opportunity to choose from various camps including Math Wizards, 3D Art, Inquisitive Science, Bookworms, World Explorers, Music Magicians, and more. Each camp culminated with a weekly presentation and students took home several souvenirs from their experiences. Camps were a roaring success and we look forward to expanding offerings in coming years.

Smyrna High soars to state softball title

Reprinted with permission by Smyrna-Clayton Sun Times, Posted May 26, 2018 at 5:06 PM

Eagles defeat Appoquinimink 16-7, putting an exclamation point on the 25th anniversary of Smyrna's last softball title in 1993. See video, photos and the story.

On a warm afternoon at the state high school softball championship game today, Smyrna's bats were on fire.

The Eagles flexed their muscles at the plate in a back-and-forth game, eventually overpowering Appoquinimink 16-7 at the Lower Sussex Little League Park near Roxana.

Abby Mace hit two home runs and a double with five runs batted in to lead Smyrna's offensive attack, while Eagles throughout the lineup had multiple hits.

Pitchers Jessica Anderson and Payton Dixon teamed up in the win for Smyrna to complete a brutal tournament schedule with four games in six days.

Anderson, a right-hander, started the game, and Dixon, a lefty, came on in relief in the top of the third with Smyrna leading 5-3. Then in the top of the seventh, Anderson stepped into the circle again and finished the game with strikeouts.

The win was the ultimate way for the Eagles to mark a special anniversary. Twenty-five years ago in 1993, Smyrna won the softball state championship, and three of the players from that team are leading this year's team: head coach Nicki (Shaner) Shirey and assistant coaches Jennifer (Pase) Hall and Kelly (Lloyd) Roscoe.

"We told the team that we knew what it feels like to win a championship and we wanted them to feel it, too," said Shirey. "We wanted to bring it back for Smyrna."

Shirey said the team prepared for Appoquinimink's left-handed pitchers.

"We anticipated they would use the outside pitch with the lefty pitchers and we practiced that yesterday," said Shirey. "We told them to be aggressive. We didn't want to get down in the count. We told them if they get a good strike to jump on it."

And the Eagles jumped and jumped and jumped.

Appoquinimink scored first, though, in the top of the first inning, with a double and a run-scoring single for a 1-0 lead.

Smyrna responded in the bottom of the inning with a bunt single by lead-off batter Lexi Moore, followed by a bunt out by Kayla Wilson that moved Moore to second. Then Kaelyn Press ripped a line shot over the left fielder's head for a triple to score Moore. Sara Miller singled to score Press to give Smyrna a 2-1 lead.

In the top of the second, Appo tied the game with a single, a bunt out to advance the runner and then a run-scoring double.

Smyrna answered with a single by Julia Thuer followed by a two-run homer by Mace over the center field fence for a 4-2 lead. Then Olyvia Smith singled, moved to second on a bunt out by Moore, moved to third on a single by Wilson and scored on a hit down the right field line by Press for a 5-2 advantage.

Appo bounced back in the top of the third with a triple and a double to make the score 5-3. After a fly out, Coach Shirey changed pitchers, bringing in Dixon. Appo scored another run on an error to pull to within 5-4 before two ground outs.

In the bottom of the third, the Eagles started rolling again with a single by Laiken Zay. After a pitching change by Appoquinimink, Thuer hit a grounder and reached first while Zay was safe at second after a collision with the fielder.

Then Mace slammed her second home run to center to give the Eagles an 8-4 lead.

But the Eagles weren't done. Moore and Wilson singled, advanced to second and third on a fly out, then scored on a double by Miller that made the score 10-4. Madison Drummond followed with a single to knock in Miller for an 11-4 lead.

In the top of the fourth, Appo rallied with two outs, taking advantage of some Eagle fielding miscues that put two runners on base, followed by a run-scoring double and then another double that knocked in two more to pull to within 11-7.

Smyrna revved up the offensive engine again, as Mace doubled and Smith bunted safely. Two batters later Press ripped a hit to knock in two runs for a 13-7 Eagle lead after four innings.

In the top of the fifth, the Eagles retired the Jaguars without allowing a run, and then the Jaguars returned the favor in the bottom of the inning.

Smyrna shut down the Jaguars again in the sixth.

Then the Eagles' bats roared to life again. Smith and Moore singled and then Smith scored on a single by Wilson to increase Smyrna's advantage to 14-7.

With two runners on, Drummond crushed a double to knock in Moore and Wilson for a commanding 16-7 lead.

"I really wanted to get that hit and end our senior year and my last softball game on a good note," said Drummond, the Eagles' catcher. "It's been an exhausting week but we knew if we wanted to win, we'd have to fight through the adversity. This is something we've been wanting since we were in 10-and-under travel ball together."

In the top of the seventh, Anderson allowed one base runner on a hot smash past third base before mowing down the next three batters for the state championship.

"I had to do it for our team," said Anderson. "Everybody's worked so hard. I can't explain how it feels right now. We've wanted this for so long. Every day since March 1, we talked about how this was our goal."

Press, who had four RBI for the Eagles, said winning the championship is "amazing, surreal, but it's not even the title -- it's that we played together as a family. That's what's important."

She said, "The ultimate key is God and having faith, working with one another, being humble, and keeping the rally going."

Press, a senior, remembers that Appoquinimink knocked the Eagles out of the tournament two years ago, and she said falling to Milford in the first round last year was tough to take. "We knew we wanted to come back and work hard and fight for this," she said.

Mace said today's title game was her first two-homer game for Smyrna High.

"I was definitely seeing the ball well today, but it's all about trust in God and trust in each other," she said. "So many players on our team have played travel ball together. We've known each other since we started playing softball, and this has been the goal. This has been the dream we've been hungry for, and we are so blessed."

Coach Shirey said Mace is "one of the hardest working kids I've seen. At the end of practice, she goes back out to the field for extra swings. She's usually one of the last players to leave the field. She has a determination and puts in the work to be that good."

Shirey said the team is actually a young squad, with just three seniors: Madison Drummond, Kaelyn Press and Jessica Anderson.

"This is definitely special for our seniors -- for them to end it together," said Shirey. "They really set the tone for us. They wanted this so badly. They organized the work in the off-season and made sure the girls were in the weight room."

While the Eagles showed plenty of muscle at the plate, Shirey said Smyrna's pitching combination of Anderson and Dixon helped keep a powerful Appoquinimink line-up in check. Like the Eagles, the Jaguars were 20-1 coming into the title game.

"Our pitchers were hitting their spots, and it's great to be able to mix it up with a lefty and go back to a righty. They make a great duo," said Shirey.

With all the ability of the players, Shirey said what really gave the Eagles the extra drive was the first-round loss in last year's tournament.

"These girls left with a feeling at the end of that game that really fueled their fire," said Shirey. "Since day one, they all had a date circled in their head, May 26, and they've put in all the work to get here and now they've done it."
