Title: Complaints About School Facilities and Services in the Smyrna School District

Policy #: 1314

Although no member of the community shall be denied the right to petition the Board of Education concerning facilities and services in the Smyrna School District, the complaints will be referred back to the appropriate administrative officials for a solution before investigation, or action, by the Board of Education.

The Board of Education advises the public that the proper channeling of complaints concerning Smyrna School District services or facilities is as follows:

1. The administrator in charge of the service or facility
2. Superintendent for the Board of Education
