Official Statement

Today, January 30, 2025, Smyrna High School experienced two separate but challenging situations. The administration quickly handled student safety concerns midday. We are aware of rumors in the community suggesting weapons were involved. This was not the case. The safety concerns did require holding students in classrooms for a short period of time to keep the hallways clear. Shortly after, an unrelated medical emergency occurred in the gymnasium. Our school medical personnel reacted swiftly ensuring the safety of all involved.

We want to sincerely thank the Smyrna Police Department, Ambulance 64, Smyrna Fire Department, and the Delaware State Troopers Medevac team for their quick and excellent service to our school community.
