The Smyrna School District would like to inform everyone that recently there have been inquiries regarding the Smyrna Elementary investigation from earlier this school year. While we are still unable to release any details, we are fully cooperating with the Smyrna Police Department and Department of Justice. As always, we remain committed to the care, safety, and well-being of our students, and we, like you, do take these allegations seriously. We would like to thank the Smyrna Police Department for their continued support of Smyrna School District and commitment to ensuring the safety of the community and our more than 6,000 students.

The Smyrna School District does not discriminate in employment, educational programs, services or activities based on race, color, marital status, creed, religion, national origin, gender, age, genetic information, sexual orientation, gender identity, disability or any other protected category or status in accordance with state and federal laws. Inquiries should be directed to the District Superintendent.
