- B. Fundraising Organization- A group of two or more adults engaged in fundraising for the schools, registered and sanctioned by the school principal or designee

III. Procedure

- A. All student fundraising activities are to have a pre-stated, written purpose (or purposes). The fundraising person and/or organization must commit, in writing, to abide by this procedure and any school rules via the form completed to register the fundraiser with school officials. The fundraising person and/or organization must also commit, in writing, to spend the funds raised via the activity in a manner consistent with the pre-stated, written purpose(s) unless waived by the principal or designee.
- B. It shall be the procedure of the Smyrna School District only to participate in student fundraising activities which are raised for, by, or in the name of the school, class, official sanctioned student organization or activity, or principal-approved charity.
- C. The resources obtained from student fundraising activity, however:
 - 1. Are to be spent in the manner consistent with the pre-stated purpose of the fundraising activity;
 - 2. Are to be accounted for by the person and/or organization responsible for the fundraising activities; and
 - 3. Not to be used as a means of undermining decisions made through the normal budgeting process.
- D. Student fundraising activities should be conducted in such a manner as to limit:
 - 1. the amount of time and energy spent by students, parents, and staff on such activities;
 - 2. Be age appropriate and not place the safety of students at undue risk; and
 - 3. Provide consistency and equity in methods of rewards for students among all schools of similar grade levels fundraising.
- E. Previous District-supported fundraising activities (must be approved each time)
 - 1. **Crowd-sourcing**
