Fall Message from Deborah D. Wicks

### Smyrna Public School

In 1883 William A. Bell, President of the Smyrna School Board, presented the Board with a sketch of a building he had seen in a dream. The Board decided to use his plans for their school building, and this handsome edifice was completed in 1884.

The first commencement exercise was held in 1885, a class of seven. The school was located on the corner of Delaware and South Streets. It was used until 1924, when the John Bassett Moore School was built to accommodate a growing school population.

On behalf of our Smyrna School District Board of Education President Jeff Clark, Vice President Chris Malec, Board Members Ron Eby, Vetra Evans, and newly elected Kristi Lloyd, our 625 employees, and our 5,225 students, I am honored to welcome our community back to school.

The 2013-2014 school year will be an exciting one as we will proudly celebrate 130 years of Smyrna High School graduations with the class of 2014. With the first class graduating in 1885, the Smyrna School District has had a long history of educating thousands of students in a successful and positive manner. (See picture insert.) The October 18, 2013 Homecoming Parade will echo the celebration theme as well as the actual 130<sup>th</sup> graduation ceremony on May 31, 2014 at 10:00 a.m. Another of the celebrations to honor this special occasion will be held on Saturday, February 22, 2014 at "I Love the Smyrna School District" day. (more information will follow in the coming months).

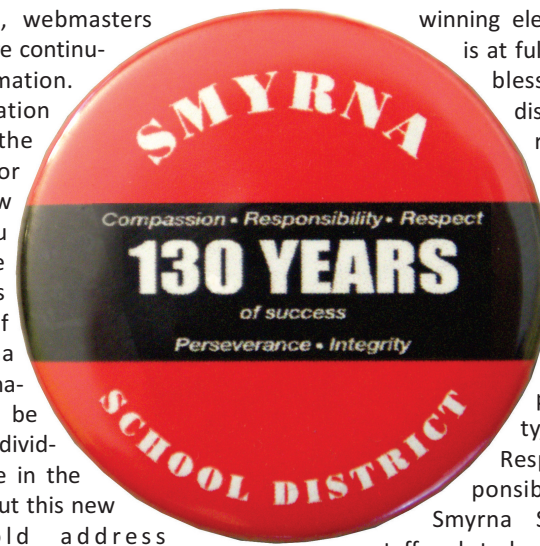

Moving from the very old to the very new

the Smyrna School District has a beautiful modern website custom designed by Educational Networks with the expert advice of a district committee of staff from all buildings. This was created so all of our buildings would have a consistent platform to communicate by. While the website is still a work in progress, webmasters from each building are continuously loading information. Currently, information available includes the District Calendar for 2013-2014, the new Child Nutrition Menu (which will also be given to all students the first week of school), and Smyrna Eagles athletic information. Teachers will be creating their new individual pages on the site in the fall. You can check out this new site at the old address <http://www.smyrna.k12.de.us>.

Over the summer months a "Needs Assessment" for five of our oldest buildings has taken place using Fearn and Clendaniel Architects. One of the needs identified was large failing roofs. With the help of our legislators, Senator Bruce Ennis and Representative William Carson, the Joint Finance Committee allowed our school district to move extra money from the now completed Clayton Intermediate School to a fund to be used for emergency roofing work. This will allow us to go out to bid in January for much needed roof repairs at Smyrna Elementary, John Bassett Moore Intermediate School, and the Thomas D. Clayton School. A special thank you to the co-chairs Senator Robert Venables and Representative Quinton Johnson for their help in working closely with Senator Ennis and Representative Carson. After the roofing issues, other building needs will be reviewed by with the Department of Education, to see if they meet the state's funding requirements. Results of this review will be made public soon.

Also, this summer with the financial help of our legislators Senator Ennis, Rep. Carson, Sen. David Lawson, Rep. Jeff Spiegelman, Rep. Rebecca Walker, plus Rep. Bethany Hall Long, and Sen. Brian Bushweller, our parking issues at Sunnyside Elementary School will be resolved now that this award winning elementary school is at full capacity. How blessed our school district is that this remarkable group gives us such wonderful support. The Smyrna/Clayton Community Core Values of Compassion, Integrity, Perseverance, Respect, and Responsibility are the Smyrna School District staff and students guiding lights.

# CLAYTON ELEMENTARY SCHOOL

**Welcome to the 2013-14 School Year!**

*Mr. Michael Dulin  
Principal*

Clayton Elementary School would like to welcome all of our Clayton students and their families for another great school year. This summer has been extremely busy for administration, secretaries, and custodial staff. New playground equipment has been ordered and two new basketball standards have been installed on the playground.

Due to changes in enrollment, there were some changes to staff assignments. Mrs. Lowe (3<sup>rd</sup> grade teacher) retired this summer after dedicating 40 years of service to teaching. We wish her the best in her retirement.

Mr. Walburn (1<sup>st</sup> grade teacher) moved to North Carolina. They will both be missed. This year 70% of our students had parent requests for teachers. We worked very hard to accommodate this. Due to class sizes we were not able to honor all requests.

Students and parents can be very proud of the teaching staff at Clayton Elementary. CES has a very dedicated staff that works well beyond the normal school workday to provide the best quality education for our students. Our DCAS scores were excellent from this past school year.

Please be aware of the dress code prior to the first day

of school to ensure students are dressed properly. Please read through the handbook and be familiar with school policies. Feel free to contact Mr. Dulin or Mrs. Chadwick at anytime if you have any concerns or questions throughout the school year.

Clayton Elementary School's motto is **Children First**, and it is our desire to provide a well-rounded educational program for our students in a safe environment while maintaining a high standard of educational excellence. We acknowledge that parent support and participation in reaching these goals is very important. We encourage you to take an active role in your child's education.

# NORTH SMYRNA ELEMENTARY SCHOOL

## Welcome Message from NSES Principal: Mrs. Kelly Holt

The staff at North Smyrna Elementary is ready and eager to start a new school year with our students. The summer months have flown by quickly; however, many good things were accomplished. The office staff and custodians have worked hard all summer to register students, order supplies and prepare the building for our August 26 opening. Many of our teachers have engaged in professional development focusing on the Common Core Standards and our new Reading series, Wonders.

We are hopeful that everyone has had a "Super Smyrna Eagle Summer" and our students are ready to return to school. It is that time of the year when families need to prepare for the "school day" schedule by setting an earlier bed time, reading a little each day, discussing a homework routine, etc.

As we prepare to begin a new school year, we would like to recognize and congratulate our 2013-2014 Teacher of the Year, Mrs. Chontel Stephens. As one of our kindergarten teachers, Mrs. Stephens is admired and respected by all who come into contact with her. She puts her students first and positively impacts

their lives each and every day.

Our returning students will see a few new faces this school year. We would like to welcome Leslie Pleasanton, First Grade teacher; Michelle Harris, Librarian; and Christopher Sfamurri, Health/P.E. teacher.

For the first time ever, North Smyrna will serve students from Pre-K to Grade 4 as we plan to house the district's Pre-K program. The Pre-K staff has already begun to set up their new classrooms and they are extremely excited to join the North Smyrna family.

We encourage parents/guardians to be very involved and active in their child's education. One way to be involved is to join North Smyrna's PTO. If you are interested in helping with the PTO, please call the office. Your support is essential and we need your help!

Finally, North Smyrna's Open House and Student Visitation (Meet & Greet) will be on Wednesday, August 21, from 6-8 p.m. This is a perfect opportunity to meet your child's teacher and learn more about the grade level curriculum and expectations. We hope to see everyone there!

# SMYRNA ELEMENTARY SCHOOL

## Smyrna Elementary Principal's Fall Message

Welcome back to the start of a new school year at Smyrna Elementary School. Our teachers have been excitedly preparing their classrooms and teaching strategies, while our custodians and maintenance crew have worked hard to prepare the school building for the new year. We look forward to your active participation in our school functions and educational experiences. 2013/14 promises to be full of wonderful learning opportunities and growth for all of our students.

In this packet, you will find a welcome letter from your child's teacher. You will also find a supply list to help you prepare for that first day of school. **The first day of school is Monday, August 26.** The school day begins at 8:30 a.m. and ends at 3:30 p.m. Our staff will be ready to guide all students to their classrooms.

You will receive detailed information regarding bus transportation within a couple of weeks. While some of you may like to transport your child to school on the first day, it would be beneficial for your child to arrive at school by the same means that they will normally come to school. This helps the children know their bus number and become familiar with their bus driver. It will be easier for students to transition to the school day if they follow their expected routine from the first day of school. Parents of Kindergarten students can pick up their child's bus identification card during the School Visitation on August 23. **NOTE: It is imperative that your child wears this tag during the first two (2) weeks of school.**

Students who will be entering Second, Third, or Fourth Grade are invited to bring their parents to our Open House/Visitation night on August 22 at 6:00 p.m. The evening will begin with a formal welcome and some opening remarks from building and district-level ad-

ministration and staff. Parents and students will then attend a general classroom session with their homeroom teacher. After that initial informational session, families may familiarize themselves with the building or visit with another child's teacher. The School Nurse, Cafeteria Manager, and Transportation Supervisor will also be available to answer questions. This is an opportunity to introduce yourself and familiarize your child with the new classroom and grade level expectations. Teacher's will not be available for parent-teacher conferences, but will work with you to schedule a meeting for a later time, if needed.

Our younger learners (KN and First Grade) are invited to visit their classroom on Friday, August 23, from 10:00 a.m. through 12:00 p.m. The purpose of this visit is to help our students transition to the school year by having an opportunity to meet their teacher and see their classroom. This is an informal visit with no set timeline, although we do ask that all visitors exit the building by 12:00 p.m. Our teachers will still have a lot to do to prepare for the first day of school.

An adults-only Open House will be held for parents of Kindergarten and First Grade students on Monday, September 16, at 6:00 p.m. We encourage you to attend this informational evening. Please join us in the gymnasium at 6:00 p.m. for opening remarks from building and district-level administration and staff. General classroom sessions will follow with your child's teacher. Please do not hesitate to call the school regarding questions that arise before September 16.

Two-way communication is the key to a successful school year. If you have any questions or need clarification on anything, please call the school. We look forward to a successful school year with you and your child.

Any student with medication (pills, cough syrup, etc.) not turned in to the nurse will be subject to disciplinary action.** Parents are reminded that student preparedness for school is an important part of the potential for success. When students do not take the prescribed medications that they should, often their behaviors deteriorate and thus interfere with the instructional process. If these kinds of situations occur, parents/guardians will be contacted to clear up the problem. Repeated occurrences of these situations will result in appropriate measures so the educational process may proceed.

## Greetings from Sunnyside Elementary School!

Kathleen Castro - Principal

Our primary goal is to provide an exciting and enriching learning experience for our students under the guidance and direction of our highly qualified and dedicated instructional and support staff. We offer excellent curriculum and technology resources that will provide the best learning opportunities possible for our students. Our summer staff has been busy preparing the school, and our teachers have been attending training sessions to make this school year the greatest experience for all!

I hope you will join me in welcoming **Mrs. LuAnn Harding, RTI Paraprofessional** to our Sunnyside family!! We offer congratulations to one of our Kindergarten teachers, **Mrs. Kristin Thompson**, for her selection as our 2013-14 Teacher of the Year!

Please note that staffing

decisions have not been finalized, and adjustments may be made to class lists as posted in this publication. Please know that it is our expectation to have final decisions by August 23 for your school visitation.

Sunnyside has experienced a construction update this summer in the form of parking lot revisions. Buses will now park in the front of the school while car riders will be discharged and picked up at the side entrance. A plan for the new traffic pattern was included in your summer "Welcome" packet. Please know that the traffic patterns have been established to facilitate the arrival and dismissal processes, but car riders should be prepared to experience delays as our goal is to ensure a safe environment for all of our students.

Our school motto, "Building the Future: Every Class-

room, Every Child, Every Day" embraces our goal to create a school atmosphere that will be supportive of the students, parents, and staff in attaining the high academic standards of our superior school district.

We welcome you to visit Sunnyside on **Friday, August 23 @ 10:00 a.m. – 12:00 p.m.** for a casual walk through our school to familiarize yourselves with our building and meet our school staff and PTO Officers. You'll also want to mark your calendars for our **Open House on September 11 for Grades KN, 1, & 2 and September 12 Grades 3 & 4 for @ 6:00 – 7:30 p.m.** where you will get a glimpse of the wonderful environment in which your children are learning and growing. Please know that you can always contact us via phone or email with your questions and concerns.

# JOHN BASSETT MOORE INTERMEDIATE SCHOOL

## Basic School Operations

On the first day of school our staff members will greet incoming students and assist as needed. Numerous staff members will be equipped with a master Teacher Assignment listing and direct children to the appropriate classroom.

Listings of class materials are below but may also be obtained at JBM's Main Office (Summer hours, 8:00am – 4:00pm) and on our website at <http://jbm.smyrna.k12.de.us>.

All students will receive a Student Agenda/Calendar Book on the first day of school. This agenda book will provide valuable information and outline our rules, code of conduct, and expectations. Please review this information with your child.

For supervision purposes please do not drop-off and leave students prior to 8:15am – our staff members assume their duty positions at this time. If your son or daughter is a walker please assist us with reinforcement of this request.

For all students who are transported to or from JBM by automobile, either before the start of school or at the end of the school day, we have designated the northeastern end of the building as the drop-off/pick-up location. This section of the building faces the Christiana Care facility and the Public Library/Opera House parking lot.

We have received permission to use the Smyrna Public Library parking lot during AM drop-off and PM pick-up. Parents may use the public parking lot for school transportation purposes as long as they do not “park and go” or leave their automobile for an extended period of time. Also, please do not park in any spaces reserved for Smyrna Public Library or Smyrna Opera House employees.

All Walkers will also gather at this location prior to entering the school at 8:20am and exit this stairwell at 3:27pm.

All vehicle access to JBM via Frazier Street will be denied due to bussing. Frazier Street is the road that runs between JBM and the detached gymnasium.

## SMYRNA HIGH SCHOOL

### SMYRNA HIGH SCHOOL ATTENDANCE CHANGES for 2013/14 SCHOOL YEAR

Previous Practice	New Practice
Students' official attendance was only recorded during the first period of the day.	ESchool Attendance is recorded for every class of the day.
Students were required to be at school a minimum of 5 hours to be credited with a full day of attendance and a minimum of 2.5 hours for a half-day of attendance.	Student daily attendance will be based on the following: Absent 1 Period = full day present Absent 2 periods = half day absent Absent 3-4 periods = full day absent
The Attendance Review for semester and year-long class credit was determined using a single total of days Absent. Student credits were all denied or all awarded based on this single total of days Absent.	The Attendance Review for semester and year-long class credit will be determined using the total days Absent for each individual class. Student credits will be awarded or denied for each class individually.
Students were permitted to miss up to 12 days from a semester-long class, and up to 24 days from a year-long class and still be eligible to receive academic credit for the class.	Students will be permitted to miss up to 10 days from a semester-long class, and up to 20 days from a year-long class and still be eligible to receive academic credit for the class.
Tardy to school was for students who were not in the assigned first class by 7:30 AM. The consequence was three unexcused tardies resulted in one hour of Community Service. An additional hour of Community Service was assigned for each unexcused tardy after three. These tardies were recorded in the main office before the student reported to class.	Tardy to school is for students not in the building by 7:30 AM. Three unexcused tardies will be the same as one day Absent. This day of absence will count towards the total allowed absences for the year for that class. The tardies will be recorded in the main office before the student reports to class.
Tardy to class was for students 10 minutes or less late to the 2nd, 3rd, or 4th class of the day. The consequence was a detention for the 3rd through 6th lates, and then SBIP starting at the 7th late. This was recorded by the classroom teacher via a discipline referral form.  <ul style="list-style-type: none"> <li>• Up to 10 minutes late to class = Tardy</li> <li>• Over 10 minutes late to class = Skipping Referral</li> </ul>	Tardy to class is for students 15 minutes or less late to any class of the day. The consequence is three unexcused tardies is the same as one day Absent. For each unexcused tardy starting with the 6th, the student will have an additional consequence of 1 day in SBIP. These absences are included in the students total allowed absences for the year.  <ul style="list-style-type: none"> <li>• Up to 15 minutes late to class = Tardy</li> <li>• Between 15 and 45 minutes late to class = Tardy &amp; Skipping Referral</li> <li>• Over 45 minutes late to class = Absent &amp; Skipping Referral</li> </ul>

#### Student Involvement in School Activities

Studies show that when students become involved in school activities such as clubs, sports, SGA, FCCLA, FFA, FEA, BPA and other school organizations, they have more academic success than students who do not get involved in school activities. Involvement also gives students the opportunity to gain social awareness and emotional maturity as a result of the focus required by school activities and organizations. It also provides a social network for the students who have similar interests. Par-

ents, please encourage your child to choose an activity of interest to them and to get involved. Smyrna High School offers a variety of organizational activities for a wide range of interest in the Arts, Sports and for Intellectual pursuits. The Smyrna High School Guidance Office has a list of the organizations and clubs upon request and the Smyrna High School Administration strongly recommends student involvement as it provides a positive educational experience.

#### Student Attire & Electronic Devices Impact the Academic Climate at SHS

Proper attire in the business world requires a certain standard of dress. The Smyrna High School Dress Code reflects the community desire to prepare our students for the work force they will enter shortly. Parents and students should keep this dress code in mind when shopping for school clothing. Clothing worn to school should not interfere with the educational process.

Tops that suggest inappropriate messages or display pictures such as tobacco, drugs, alcohol, hate messages, expose the midriff or undergarments, halter-tops, fish-net tops, tank tops, and muscle shirts are not be worn to school. Oversized pants that sag below the waist or drag on the floor, and pants that are extremely tight are not be worn to school. Pajamas and clothing articles that replicate undergarments are not be worn to school. Shorts, skirts, and dresses should not be worn if the proper length is in violation of the Dress Code.

Hats, headbands, bandanas, earmuffs, goggles, and any other head coverings (unless required for religious purposes) are not permitted in school.

#### NEW for 2014: Use of Personally Owned Electronic Devices

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. To encourage educational growth, students at Smyrna High School may now bring their own mobile device to campus subject to the following guidelines and expectations.

Personally owned portable electronic equipment includes smart phones, or other portable devices (i.e. MP3 Player, electronic book, tablet, etc) that can be used for word processing, wireless Internet access, and information transmitting/receiving/storing, etc.) The district will not provide any wireless or Ethernet connections, furthermore connecting to the state network is a violation of the acceptable use policy. Students are free to use the internet via their personally owned device and data plan. Hot Spots or mobile wireless access points are not allowed.

More information on both the Dress Code and Smyrna High School's personally owned device policy can be found on the Smyrna High School Website.

#### Parking Policy & Traffic Flow

The Administration of Smyrna High School eagerly awaits the arrival of students for the 2013-2014 school year. The east side of the building (Smyrna Side) is designated for student parking only. Students who wish to drive to school will present their completed Application for Driving Permit with all supporting documents to Mrs. Watts in the front office, along with the \$10 parking fee beginning on August 19, 2013. Only students that have completed their six month restricted driving process may purchase parking tags. Parking spots may not be reserved at any time. Students in a Senior homeroom are permitted to purchase their parking tags starting on August 19, from 8:00 am – 3:00 pm, or on August 20, from 11:00 am – 3:00 pm. Students in a Junior homeroom who earned a PL 3 or PL 4 on the Spring DCAS during the 2012/13 school year may purchase their parking tags beginning on August 21, from 8:00 am – 3:00 pm. All students in Junior homerooms may purchase parking passes on August 22, from 8:00 am – 3:00 pm. The last day for purchasing a parking tag before the beginning of school will be on August 23, from 8:00 am – 3:00 pm. All cars using the school parking lot must display the tag on the rear view mirror

and park facing the building. Any car in the school parking lot that does not display the tag by the start of school on August 27, will be subject to towing.

It is the position of the Smyrna High School Administration that driving to school is a privilege, tied to the Code of Conduct. Students who violate the Code of Conduct will have their driving privilege revoked. The Administration urges the students and parents to become familiar with the regulations associated with the driving privilege as indicated on the Application for Driving Permit.

When entering the property between the hours of 7:00-7:30 am, and 2:15-2:45 pm all traffic must enter using the West side (Clayton Side entrance) and exit the property using the East side (Smyrna side exit). Please be mindful of the 5 MPH speed limit and yield to pedestrians crossing on their way to the building. No vehicles are permitted to park in the bus lane or to drop off or pick up students when the buses are present in front of the building. The parent drop off is located on the Smyrna side of the building next to the entrance to the Auditorium lobby. Please follow the driving directions provided by the signs, cones, and school personnel in that area when dropping off a student in the morning.

### Superintendent's Desk

(from front page)

For the 2013/2014 school year, the values of responsibility will be emphasized. Responsibility, as defined by our community committee in 1999, means "being reliable and following through on commitments. This includes being responsible for your actions as a family member, teacher, student, and citizen. You can demonstrate your responsibility through service to others and self control". This year's role model of responsibility is United States Congressman John Carney, a strong advocate for public education. Rep. Carney has been a faithful participant honoring our student winners in our annual Essay Contest on "I Love the Smyrna School District" day. It is always an honor to have him visit the Smyrna School District. More about Rep. Carney's remarkable career in the January Messenger issue.

As always, thank you dear community for your support of our school family. I look forward to seeing you at the many August/September events including Open Houses and Sporting Events.

### Educators & Cooperative Honored

SHS Agricultural Structures teacher Jay Davis, past president of the Delaware Association of AgriScience Educators (DAAE) was honored by current association President- SHS Plant Science teacher Kellie Michaud with the 2013 Delaware AgriScience Outstanding Teacher Award.

"It's a great honor to be recognized for your work in the classroom and with the community. I look forward many more great years with the FFA and the agricultural community," said Davis.

The Smyrna/Clayton Southern States Cooperative was also recognized with the Delaware Association of AgriScience Educators 2013 Outstanding Cooperation award, for an agricultural business that assists schools featuring agricultural education programs. The award was accepted by E.J. Hurd, who is an Alumni FFA member and graduate of Smyrna High School.

Russ Stinson, longtime agriculture teacher at Smyrna High School was unable to attend the awards program, but was honored with a Lifetime Achievement Award by the DAAE organization. Stinson's contributions to Smyrna continue outside the classroom, through his work with the Smyrna FFA Alumni and volunteer work with the American Legion Ambulance Station 64.

### Mr. Bell's Dream

(from back page)

besides a very convenient center

room which can be used for many other purposes. In the tower or steeple may be located a clock and an alarm or call bell. Mr. Bell estimates the cost of such a building at about \$12,000. The four wings, he thinks, can be erected at a cost of about \$1,500 each. The roof should be either of slate or tin and the passageway leading to the upper stories of galvanized iron, while the floor of the center building or rotunda might be laid with cement, laid off in ornamental style thus making the whole building entirely fire-proof. Such a building erected in the center of a two acre lot, conspicuously located and ornamented with shade and evergreen trees would certainly engender a feeling of pride in the breast of every citizen, and prove to be one of the handsome ornaments and attractions of the town.

This article was reprinted in a 1983 issue of the Smyrna/Clayton Sun Times as part of a centennial celebration.

### Smyrna High School has been awarded the 2012-2013 DIAA Sportsmanship award.

The Delaware Interscholastic Athletic Association (DIAA) awards Middle and High Schools the Sportsmanship this award after a school has met each of the ten requirements. The DIAA requires that the school create a portfolio, hold events, and involve the entire school community. Also, the DIAA Sportsmanship Committee seeks out feedback from members of the media and the officials associations.

Smyrna High School completed several events this year to earn this award. These events were carried out by coaches and athletes. The events included the Grinchapalooza 5k run in December, Sponsoring a team in the Smyrna Relay for Life walk, Participation in Blue-Gold DFRC activities, and with the continuation of the "Super Fans" student section at home sporting events.

### NOTICE OF FERPA RIGHTS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age the following rights:

#### Inspection

You may inspect the student's education records within 45 days of the day the District receives a request for access. You should submit to the Principal a written request identifying the record(s) you wish to inspect. The Principal will notify you of the time and place of inspection.

#### Amendment

If you believe education records are inaccurate, you may request the records be amended. Such a request must be in writing, and directed to the Principal. The request must identify the part of the record you want changed, and specify why it is inaccurate. #### Consent

You have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without

Upon request, the District will disclose education records without consent to officials of another district in which a student seeks or intends to enroll.

- » The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- » Whether any teachers' aides or similar paraprofessionals provide Title I services to your child and, if they do, their qualifications.

A website has been setup for you to obtain this information at: <http://deeds.doe.k12.de.us> You may access this information by going to this website and click "Parents/General Public" on the left-hand side of your computer screen. ## A Description of Mr. Bell's Dream in 1883

Wm. M. Bell, President of the School Board, notwithstanding his time and inclination is mostly devoted to financial matters, takes a lively interest in the education of the children of the town. On Friday night, after the meeting of tax payers that was held at the school house of districts No. 5 and 77, for the purpose of deciding on the construction of a new and more commodious building, one that will accommodate all the children of the town and more too. Mr. Bell, while lying in bed the same night, conceived one of the most original and complete plans of a building adapted for the purpose, which we will attempt to describe. The building consists of four wings, say 26x40 feet, two stories, with windows on the sides and ends, the ends of each wing to join an octagon shaped room or rotunda that will run to the top of the four wings and be capped with a steeple, tower or dome. There are four entrances to the rotunda, for the children, where they can go out of the weather and dispose of their wraps before entering their school-room. From

the rotunda each of the school rooms is entered on the first floor. To gain access to the rooms on the second floor, a passageway will have to be constructed all the way around the octagon shaped room and stairways leading thereto, erected diagonally, so that ready ingress and egress may be had to each room. These rooms will be entered from the passageway. Closets for the wraps of the children can be arranged on each side of the door entrance to the school rooms where they can be left before entering the rooms. An excavation need only be made under the rotunda for a furnace, can be arranged for heating comfortably every room in the whole building. At the top of the octagon, a center room can be arranged -- very airy and well lighted, which may be used as an observatory or a room for the meetings of the board of school directors. Here then, would be eight large, well-lighted and well ventilated rooms, easy of ingress and egress in case of fire, with a seating capacity of about 500 pupils,
